As a conclusion to the year I hope that all members will avail themselves of the **Christmas barbeque at Mannerim on our next meeting date of Tuesday 15<sup>th</sup> December 2009 starting at 4pm**

or thereabouts for a fun fly and food and non alcoholic drinks provided by the club.

Hope to see you there

.

# From the Editor

A couple of weeks ago, a few members from our club journeyed to Hamilton for their annual fly-in weekend.

Needless to say, the weather was rterrible on the Friday night, several models were damaged that were being stored under portable shade gazebos.

Saturday didn't see much flying either, lots of rain and wind, but Sunday improved, and a good time was had by all.

## Total Fire Ban days.

Please be really alert with the summer season and Total Fire Ban days.

Often we can have stinking hot days, with a nice cool change in the afternoon.

However, most times the Total Fire Ban is in place until midnight.

Also, Total Fire Ban means no Entry to the Field at all, for any reason.

**No entry means exactly that, so please be aware of current fire warnings.**

Have a Merry Christmas and a safe and joyous New year.

Beautiful detail in this 105 inch AT6, looked fantastic in the air, typical Texan on landing.
